I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNOMIG FOR THE PERIOD 1 FEBRUARY TO 30 JUNE 1994

A. Period from 1 February to 31 March 1994

1. By resolutions 896 (1994) of 31 January 1994 and 901 (1994) of 4 March 1994, the Security Council decided to extend the mandate of the United Nations Observer Mission in Georgia (UNOMIG) for an additional interim period terminating on 31 March 1994. By resolution 48/256 of 26 May 1994, the General Assembly decided "to appropriate to the Special Account the amount of 1,251,800 United States dollars gross (1,220,100 dollars net), for the maintenance of the United Nations Observer Mission in Georgia for the period from 1 February to 31 March 1994". The Assembly also decided that there should be set off against the apportionment among Member States the balance of the apportioned amount of $257,400 gross ($240,900 net) authorized by its decision 48/475 A for the period ending 31 January 1994. It further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $31,700. This served to reduce the level of commitments for the period from 1 February to 31 March 1994 to $994,400 gross ($979,200 net).

2. The amount so appropriated by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.C below and is shown in section IV below.

B. Period from 1 April to 30 June 1994

3. By resolution 906 (1994) of 25 March 1994, the Security Council decided to extend the mandate of the United Nations Observer Mission in Georgia (UNOMIG) for an additional interim period terminating on 30 June 1994. By resolution 48/256, the General Assembly decided "to appropriate to the Special Account the amount of 1,002,600 dollars gross (939,000 dollars net), inclusive of the commitment of 600,000 dollars gross (558,000 dollars net) authorized under General Assembly decision 48/475 B for the period from 1 April to 31 May 1994, for the maintenance of the United Nations Observer Mission in Georgia for the period from 1 April to 30 June 1994". The Assembly further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $63,600 for the period from 1 April to 30 June 1994.

4. The amount so appropriated by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.C below and is shown in section V below.

C. Apportionment of the costs of peace-keeping operations

5. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named

economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

6. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group (D) would pay 10 per cent of the assessment rates established for the regular budget, those in group (C) would pay 20 per cent, those in group (B) would pay 100 per cent and those in group (A) would pay 100 per cent plus the amounts not otherwise apportioned.

7. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

8. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNOMIG. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 52 new Member States, including 6 new Member States in 1993, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991, 47/218 of 23 December 1992 and General Assembly decision 48/472 of 23 December 1993. The percentage shares shown in sections IV and V below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991 and adjusted in accordance with General Assembly decision 47/456 of 23 December 1992 and resolution 48/223 A of 23 December 1993.
